What is Special Equestrians, Inc.?

Special Equestrians, Inc. is a 501(c)(3) nonprofit organization with a mission to provide high quality therapeutic horseback riding and equine assisted activities and therapies to individuals with physical, mental, developmental, and emotional disabilities. Certified instructors, licensed therapists, and volunteers work to provide a stimulating environment in which participants learn new skills, develop their strength and flexibility, and experience a level of freedom while riding that often may elude them in their day-to-day lives. Special Equestrians has passed stringent safety standards to be recognized as a Premier Accredited Center through the North American Riding for the Handicapped Association (NARHA). Learn more about this incredible organization and the individuals it serves at www.specialequest.org.

What is the Dr. Lauren Bourgeois Memorial Fore the Children Golf Tournament?

The Tournament is Special Equestrians' largest annual fundraiser and is named in memory of Lauren Bourgeois. Lauren founded the Fore the Children Golf Tournament in 1999 and ran it for nine years, each year building on past years' successes. In 2009 after her tragic early death from cancer, the tournament name was changed to honor Lauren's incredible service to the organization and its riders.

Tournament sponsorships give businesses a great opportunity to gain exposure and provide an outing for valued employees and clients. Individuals and groups of friends who come as golfers enjoy a great day of golf and have the chance to meet others who share their love of the game and their belief in supporting a great cause.

Timberline Golf Club, this year's host, features a jewel of a course laid out by PGA TOUR star and U.S. Open Champion, Jerry Pate, and a gracious rustic lodge-style clubhouse. Join us for a wonderful golf experience!
